# LV Laws In Doubt In Court Porno Plea

CARSON CITY (UPI) — A Las Vegas city ordinance regulating adult book stores got a rough reception from the Nevada Supreme Court whose members indicated they doubted its constitutionality.

Chief Justice Elmer Gunderson questioned at length why owners of adult bookstores had to go through a separate procedure in applying for a city business license. And Justice David Zenoff said, "What you are really after is to allow the City Commission to read the material before it goes on the stands."

The court, after listening to oral arguments yesterday, took the case under submission. The ordinance has been challenged by owners of the Talk Of The Town bookstore and Peek-A-Rama.

Alan B. Andrews, attorney for the bookstores, said the ordinance does not set any standards and allows the city commission to deny a license without citing adequate reasons. He said the ordinance totally overlooks the fact that it is dealing with material protected by the First Amendment of the U.S. Constitution.

He said that the U.S. Supreme Court has ruled that an unconstitutional law may be ignored.

But Daniel E. Ahlstrom, Deputy Las Vegas City Attorney, told the court, the city had the power to regulate the bookstores. "We are not trying to regulate the content of the material," he said.

Ahlstrom, under questioning by Gunderson, said that the stores sell newspapers and other magazines. He said a person who applies for a bookstore license can be turned down only for zoning, building or fire violations — the same as operators of other businesses.

Yet the adult bookstore owners must submit to a background and financial investigation.

Gunderson questioned whether the right of free speech in selling newspapers and magazines could be prohibited because of a lack of finances or criminal convictions. Ahlstrom said no.

The Chief Justice kept up a steady barrage of questions and he emphasized that the reasons for denial of both adult bookstores and other businesses were all the same.

At one point, Gunderson questioned, "Do dirty books burn faster than clean book?" in referring to the fire ordinance.

## Bookstore Operators Arraigned

The operators of two adult bookstores and one of their employees were arraigned Friday in Las Vegas Municipal Court on charges of selling obscene material.

Deputy City Atty. Dan Ahlstrom later said he was pleased at the dispatch with which the matter was being handled by the court.

Appearing before Municipal Judge Robert E. "Moon" Mullen was attorney Alan B. Andrews, representing Talk of the Town, Inc., Cinema Arts Corp., Inc., and Jack Markham.

Markham is an employee of Talk of the Town.

The two corporations operate respectively the Talk of the Town Bookstore at 2232 E. Charleston Blvd. and the Book Store at 2426 Las Vegas Blvd. South.

Mullen gave Andrews two basic choices.

He could take 30 days and file a writ with the State Supreme Court, challenging the state law governing the sale of pornography.

Or he could have 15 days to file various motions in Municipal Court, with the city attorney's office having the next 15 days to respond.

In any case, Mullen indicated he wanted something done by March 17, at which time the defendants would have to reappear before him and plead one way or the other.

Andrews indicated he probably would accept the first alternative, filing for a writ of habeas corpus or prohibition.

"I'm happy the judge set a relatively short specific time to consider the case," Ahlstrom said, noting pornography cases in the past became snarled in a tangle of filings and counterfilings.

Three counts had been brought against Talk of the Town and Markham, while another three counts were brought against the Book Store.

Jack Markham, who is the general manager of the Talk of the Town and other bookstores [redacted], operates the mail order business from the Talk of the Town. The orders are received for films by mail at the Talk of the Town and are handled by Jack Markham and are shipped through the U. S. Mail to anywhere in the country in lead-lined envelopes and are sent registered or certified mail so that they

can not be opened for inspection. The lead lining prevents the envelopes from being examined by X-ray.

The films that are shipped from the Talk of the Town through the U. S. Mail, include those activities described in the "Las Vegas Panorama, January 28, 1977 issue. There are thousands of film titles to choose from and the activities in the films include persons engaged in group sex, golden showers, straight and gay orgies, bondage, sado-masochism, etc. The films also depict scenes of nude children, age 7, 8 and above, engaging in straight and gay sex activities. The films are called "Lollipops" and "Lollitots" series. Other films depict scenes of humans and animals engaged in sex, lesbians engaging in sexual activities, and gay boys. All of the films show explicit scenes including sexual intercourse, felatio, cunnilingus, pederasty (which is an old man who "makes it" with young boys). These films involving the young children show graphic and explicit scenes of nude children engaging in these same activities mentioned above.

These same mail order shipments include playing cards and magazines that depict similar scenes involving

[redacted] young children as described above in the movies. All of the items listed for sale in the Las Vegas Panorama at the Talk of the Town Bookstore are sold through this same mail order operation at the Talk of the Town Bookstore. [redacted]

[redacted] I, [redacted] make the following

From August until January, 1976, I also [redacted]

[redacted] is the principal at the Talk of the Town and the manager is Jack Markham. The Talk Store is the main distributor of obscene books, magazines and films to the various adult book stores controlled by this group in both Las Vegas and Reno, Nevada. Same owners control the Denmark Book Store, the House of Erotica Book Store, the Downtown Book Store, The Erotica 1 and 2 Theaters and Stores in Reno.

The Talk Store imports various regular and Super 8 millimeter obscene films from out of the country and from other states and has these films reproduced for sell. The films depict same films advertised in the Las Vegas Panorama, which include all of the various adult type films available. The Talk Store also has films available on demand depicting scenes of seven and eight year old children, who engaged in both gay and straight sex.

[redacted] maintains an office and store room together behind the Peek-a-rama Movie Arcade located next door to the Talk of the Town Book Store. I have been in [redacted] office on several occasions and I have seen [redacted]

thousands of these same films being stored in his office space behind sliding panels and have also seen these same type films stored in a closet that is entered from

Jack Markham who is the General Manager for   
 has told me the young seven and eight straight children films originate in Germany. Jack Markham maintains daily sells records of all the films sold from the Talk of the Town. The sex films involving the children are available only on request.

b6  
b7C

I know there is one  who makes deliveries of films from out of state to the Talk of the Town in Las Vegas, who uses his personally owned car. I don't know the type of car, but  is a white male,   
, 5'8", thin build.  employs a girl by the name of  who is a stock girl who maintains an office and storage space between the Peek-a-rama Movie Arcade and  office. She receives and maintains incoming shipments of obscene books and magazines in her office.

She stores quantities of these obscene paperbacks and some of the materials are stored next door at the former Gallery Theater. [redacted] maintains records, books and magazines of this type shipped to each of the stores in Las Vegas and Reno.

I know that a Mr. Sturman from Cleveland is one of the overall owners of the entire operation and that he comes to Las Vegas often and may come this week. [redacted] [redacted] told me that one [redacted] is the major owner of all the stores. [redacted] was in Las Vegas about two weeks ago and was accompanied by a black airline stewardess and I saw him at the Talk Store. [redacted] and girl stayed at Caesars Palace Hotel. He is a white male [redacted] [redacted] who is short, medium build with gray hair. The girl was light complected, slim build, 5'6".

Jack Markham who is the General Manager for [redacted] [redacted] in Las Vegas is the principal behind the mail order business at the Talk Store. All of the items and types of films that are advertised in the Las Vegas Panorama are available through this mail order service to be mailed to every state throughout the United States except Texas. Mail order business also includes Canada. Markham told me that in shipments to Canada I should get a film mailer from Kodak or any Camera shop, and if it is shipped first class to Canada it will not be opened for inspection. Markham told me that [redacted]

in the past the way to ship to Canada is to ship the individual films in individual packages on different days.

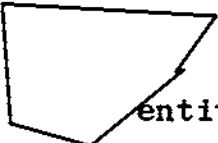

Talk of the Town gives away to certain customers catalogs which identifies over a thousand films by title along with other "merchandise" available. These same catalogs are available to anyone by writing to Talk of the Town requesting one as long as they sign a statement saying they are over 21 years old. The ad appearing in the Las Vegas Panorama for Talk of the Town <sup>describes</sup>  ~~distribution~~ types of hard core magazines and films available. I have viewed majority of the films and I know that these films graphically depict scenes of nude men and women engaging in sexual intercourse, felatio, and cunnilingus. I know other films available depicting various persons engaging in group sex, golden showers, bi-sexual activities and both straight and gay orgies. I know other films that are sold through this same mail order operation include scenes of persons engaging in various sexual activities with animals and bondage scenes and sato masochast scenes along with lesbians engaging in sex and the same activities described above involving seven and eight year old nude boys and girls.

b6  
b7C  
b7D

Some of the magazines that show pictures of these same scenes involving seven and eight year old children are

b6  
b7C

entitled "Lolita" and "Lollipop". There are ten series in the one "Lollipop" series which shows these same children that are engaged in sexual activities.

These same films that are sold next door at the Pearl Adult Book Store are usually used films that have been previously used in the movie arcades.

There is an index card file maintained behind the counter at the Talk of the Town Book Store which is maintained by Markham. These index cards identify all of the mail order customers throughout the United States who have bought films from the Talk of the Town through the mail order operations and also the card describes the title of the film or films purchased by this same customer. Markham maintains additional records behind the counter showing the daily films sold by title which cash receipts are not recorded.

I have  observed shipments by United Parcel Service to both the Pearl and Talk of the Town Book Store which shipments include cartons of obscene books and magazines depicting scenes described above and also observed shipments by interstate carrier delivering various papers including those entitled "Screw", "Fetish Times" and "Gay Blade".

I have read this statement, consisting  
of eight pages and initialed each page  
and the corrections and it is true to

## FEDERAL BUREAU OF INVESTIGATION

Date 2/3/77

On February 1, 1977, a search warrant (Case No. 77-0015M-01) directed at a business type establishment located at 2232 East Charleston Boulevard, Las Vegas, Nevada, which structure is located on the south side of East Charleston Boulevard directly west of Peekarama Movie Arcade, the building being further identified by a marquis with "adult" written on it and another sign appearing on the front of the building which states, "Closed visit Erotic Cinema 9 door east," was recieved by SA [ ] and SA H. E. HINDERLITER, JR. SA [ ] and SA HINDERLITER arrived at the above-described location at 6:30 PM and it was noted that the premises described above was locked. Contact was made with JACK MARKHAM, who was acting as the manager at the Peekarama Movie Arcade for the purpose of attempting to locate a key for the above-described premises. While Mr. MARKHAM was attempting to locate such a key, SA [ ] remained in the vicinity of the premises in question to insure that no one entered. In about an hour, Attorney [ ] was observed approaching the premises and he was known to SA [ ] to have represented the owner of this establishment in the past and he was asked if he would make some effort to attempt to locate a key. [ ] was non-committal for the most part.

b6  
b7C

When it appeared that no key would be produced, contact was made with Anytime Lock and Key, 1325 East Vegas Valley Drive, by telephone and subsequently the [ ] arrived on the scene for the purpose of opening the locked door. This was accomplished at 7:58 PM.

b6  
b7C

Thereafter, the above-described premises was searched by SA [ ] and SA HINDERLITER, and the search was concluded at 8:30 PM and no items were taken. After the search was concluded, Mr. [ ] was recontacted and advised that the search had been concluded and again requested to attempt to produce a key at which time Mr. [ ] advised that he did not want to make any such effort since he did not want to face the possible argument in court that simply because they cooperated, it could then be considered a consent search.

Re report of SA Joseph A. Murray at Las Vegas dated February 16, 1977, and Las Vegas letters to the Bureau dated March 2, 1977, and March 3, 1977.

Referenced letter dated March 3, 1977, advised that 209 motion picture films were being submitted to the Laboratory; however, only 208 were received in the Laboratory. It should be further noted that referenced report listed 205 films by series and titles on pages 94 through 108. Five of the films received do not appear on that list by titles and two films listed by titles in that report were not included among the materials received in the Laboratory. The five films received by the Laboratory which were not listed in the referenced report are entitled: "OZ21-The Coisha," "OZ23-A Woman of Lust," "Cin-Kay6," "Sex in the Movies #3-The Producer," and "Sex in the Movies #6-Passion Orgy." The two films listed in that report, but not received in the Laboratory, are entitled "Porno Classics Series No. PC1-Girl Scout Cookies" (page 96 of referenced report, item #34) and "Sex in the Movies #1-Morning Coffee" (page 102 of referenced report, item #128).

Referenced letter dated March 2, 1977, advised that 78 books and magazines and one deck of playing cards were being submitted to the Laboratory, but only 73 magazines and one deck of playing cards were received. It was further noted that of the 78 books and magazines and one deck of playing cards listed by titles on pages 66 through 70 of referenced report, the following titled magazines were listed, but were not received in the Laboratory: "The English Edition, entitled Private," "Homo," "Black C\_k," "Juicy Comes," and "Lollitots, Vol. 4 No. 7." It was noted that the carton containing evidence, accompanied by copy of letter dated March 2, 1977, had been previously opened when received in the Laboratory.

Las Vegas should attempt to reconcile the differences between the specimens listed as having been submitted to the Laboratory and the specimens actually received in the Laboratory. Las Vegas should advise the Bureau, Attention: Scientific and Technical Services Division, of the results of the attempts to reconcile these differences.

Re Bureau airtel to Las Vegas, 3/9/77.

Re airtel noted that on March 3, 1977, the LV Division reported that 209 motion picture films were being submitted to Bureau for examination; however, only 208 were actually received by the Bureau. It would appear that Las Vegas inadvertently miscounted by one the number of films being submitted. It was further noted that only 205 were listed on pages 94 through 108 of the report of SA JOSEPH A. MURRAY dated 2/18/77, at Las Vegas. It would appear the initial count and tabulation of the films did not include the total of 208 films that were seized, by SA . The five films received that do not appear on that list were no doubt the extra films that were not tabulated in the original count at Las Vegas. The Las Vegas Division is unable to account at this time for the fact that two films listed in the Las Vegas report have not been received to date at the FBI Laboratory.

ST-109

22 MAR 21 1977

It is noted that the seizure and maintenance of these numerous films that were seized by the Las Vegas Division on 2/1/77, caused a minor storage problem at that time and some of the films seized were perhaps inadvertently placed in cartons representing films seized by other Agents at the time that the search warrant was executed.

For information, additional films are being prepared for transmission to the FBI Laboratory and that the two films listed in Las Vegas report and not received entitled "Girl Scout Cookies" and "Morning Coffee", may appear in subsequent shipments.

Page two of re Bureau airtel notes that only 73 magazines of 78 seized and tabulated were received by the FBI Laboratory for examination. The five entitled magazines, mentioned in re airtel, were five of the Government's exhibits used in connection with the presentation made before the U. S. Magistrate, Las Vegas, Nevada, on 2/4/77, at the adversary hearing. Those same five magazines and ten 8 millimeter obscene films are being maintained separately by the Las Vegas Division at this time at the request of the U. S. Attorney, and when their need is no longer an issue, they also will be submitted to the FBI Laboratory for examination.

[redacted] Mr. [redacted] advised that he had viewed approximately five of the films at random that were in the carton and that the films depicted explicit scenes of various nude men and women engaging in various sexual activities. Mr. [redacted] added that he was going to decline any prosecution of these subjects for the importation of these films into the United States, in view of the amount and the contents of the films previously seized on 2/1/77, by the FBI at subject's place of business at the Talk of the Town Adult Book Store, Las Vegas.

At that time, Mr. [redacted] informed that he intends to direct a letter to the Pearl Enterprises in Las Vegas, and to Mr. [redacted] a Las Vegas Attorney representing captioned subjects. He said the letter will inform them that the U. S. Attorney's Office in Las Vegas has in his possession instant carton containing films and that the letter would further inform that the carton would be available to them should anyone appear to retrieve the cartons and its contents. He advised that if no one appeared within approximately 10 days to pick up the carton he will turn the carton containing the films over to the FBI for examination and retention pending the outcome of this case.

On 5/23/77, AUSA [redacted] advised that on 4/25/77, he directed letters to Pearl Enterprises in Las Vegas and to [redacted] in Las Vegas advising him that his office had a carton containing 47 reels of color film which appear to be pornographic in nature. He noted in his letter that the films arrived in Las Vegas on or about 11/19/76, and were consigned to Pearl Enterprises located at 2120 East Charleston Boulevard, Las Vegas. He advised that the letter informed that Pearl Enterprises attempted to pick up the films on 12/2/76, but when these persons were confronted by a U. S. Customs Officer, the individual would not accept the shipment. From that date on, no representative of Pearl Enterprises ever appeared at U. S. Customs to claim the films.

LV 145-344

Mr. [ ] further advised that in his letter, he informed the recipients to contact his office within ten days if they alledge to an interest in this shipment.

On 5/23/77, Mr. [ ] informed that to date no one has contacted his office relative to instant shipment and that he is therefore at this time turning this carton and its contents over to the FBI for examination and retention pending the outcome of this investigation.

The FBI Laboratory is requested to conduct an examination of the contents of the carton and to furnish Las Vegas and interested offices with a copy of the results of examination. The Laboratory is further requested to return the carton and its contents to the Las Vegas Division to be retained as evidence pending the outcome of this case.

For information, AUSA [ ] on 5/23/77, advised he would begin to prepare this case for presentation to the Federal Grand Jury in Las Vegas pending the outcome of the motion to be heard in U. S. District Court in Las Vegas, Nevada, on 6/6/77, relative to the motion for return of the film and evidence in this case.

For information, Pearl Enterprises located at 2120 East Charleston Boulevard is a separate adult book store selling obscene books, films and magazines and is located in the same proximity as captioned book stores and [ ] same captioned subjects.

The following investigation was conducted by  
Special Agent (SA) [redacted] at Los Angeles,  
California:

b6  
b7C

On March 1, 1977, [redacted], Film Security Officer,  
Universal Studios, Los Angeles, California, telephone  
number [redacted] advised [redacted] Acme  
Film Laboratories, 1161 North Highland Avenue, Hollywood,  
California, 90038, in January, 1976. This laboratory had  
been owned and operated for several years by [redacted] and  
was sold by [redacted] to [redacted]. The laboratory processed 16  
millimeter and 8 millimeter motion picture films including  
some of hard core pornographic nature.

[redacted] advised that due to financial difficulties  
caused by customers who did not pay their bills, [redacted] was  
unable to make a success of the business and closed down in  
July, 1976. The laboratory was subsequently purchased from  
Crocker National Bank, which had assumed ownership of it, by a  
large legitimate company in Salt Lake City called Stockdale  
Corporation, 2211 West 2300 South, Salt Lake City, Utah, 84119,  
telephone number 801-486-3501. This is a family owned corporation,  
and one of its subsidiary companies is called Photo-Tech  
Laboratories, and [redacted] believed Acme Film Laboratories will  
ultimately be called Photo-Tech Laboratory, 1161 North Highland  
Avenue, Los Angeles.

b6  
b7C

[redacted] said the Highland Avenue location has not  
been processing films but will be resuming activity very soon  
when a man named [redacted] comes down from Salt  
Lake City to operate the laboratory.

b6  
b7C

[redacted] advised [redacted] was a customer of  
Acme Film Laboratories and had his 16 millimeter pornographic  
films processed at that location. [redacted] had no ownership  
in the laboratory at any time and is not believed to have anything  
to do with its current ownership or operation of it.

On 4/20/77 at Las Vegas, Nevada File# LV 145-344

by SA JOSEPH A. MURRAY:ilk Date dictated 4/25/77

Attorneys representing captioned subjects and businesses have filed a motion in U.S. District Court requesting that the evidence seized on February 1, 1977 in this matter, including all films and magazines, etc., be returned. The motion has been scheduled to be argued in U.S. District Court in Las Vegas on June 6, 1977.

Assistant U.S. Attorney [redacted] Las Vegas, on May 17, 1977, advised that he intends to request that the motion be rescheduled to be heard in U.S. District Court during the week of June 20, 1977.

b6  
b7C

It is noted that on February 15, 1977, Assistant U.S. Attorney [redacted] Las Vegas, informed that a carton containing approximately 50 8 mm color films were turned over to him on that date by Mr. [redacted] of U.S. Customs Office located at Mc Carran International Airport, Las Vegas. At that time, Mr. [redacted] noted that the carton and its contents had been consigned from Rotterdam in the Netherlands to Pearl Adult Book Store, Las Vegas. Mr. [redacted] pointed out that this was the same carton and contents that JO OAK, aka, and [redacted] were directed to pick up at U.S. Customs Office in Las Vegas by [redacted] who was the owner-manager of the Talk of the Town Adult Book Store in Las Vegas in [redacted]. Mr. [redacted] advised that he had viewed approximately five of the films at random that were in the carton and that the films depicted explicit scenes of various nude men and women engaging in various sexual activities. Mr. [redacted] added that he was going to decline any prosecution of these subjects for the importation of these films into the United States, in view of the amount and the contents of the films previously seized on February 1, 1977, by the FBI at subject's place of business at the Talk of the Town Adult Book Store, Las Vegas.

b6  
b7C

At that time, Mr. [redacted] informed that he intends to direct a letter to the Pearl Enterprises in Las Vegas, and to Mr. [redacted], a Las Vegas Attorney representing captioned subjects. He said the letter will inform them that the U.S. Attorney's Office in Las Vegas has in his

b6  
b7C

possession instant carton containing films and that the letter would further inform that the carton would be available to them should anyone appear to retrieve the cartons and its contents. He advised that if no one appeared within approximately ten days to pick up the carton he will turn the carton containing the films over to the FBI for examination and retention pending the outcome of this case.

On May 23, 1977, Assistant U.S. Attorney [redacted] [redacted] advised that on April 25, 1977, he directed letters to Pearl Enterprises in Las Vegas and to [redacted] in Las Vegas advising him that his office had a carton containing 47 reels of color film which appear to be pornographic in nature. He noted in his letter that the films arrived in Las Vegas on or about November 19, 1976, and were consigned to Pearl Enterprises located at 2120 East Charleston Boulevard, Las Vegas. He advised that the letter informed that Pearl Enterprises attempted to pick up the films on December 2, 1976, but when these persons were confronted by a U.S. Customs Officer, the individual would not accept the shipment. From that date on, no representative of Pearl Enterprises ever appeared at U.S. Customs to claim the films.

b6  
b7C

Mr. [redacted] further advised that in his letter, he informed the recipients to contact his office within ten days if they alledge to an interest in this shipment.

b6  
b7C

On May 23, 1977, Mr. [redacted] informed that to date no one has contacted his office relative to instant shipment and that he is therefore at this time turning this carton and its contents over to the FBI for examination and retention pending the outcome of this investigation.

Assistant U.S. Attorney [redacted] on May 23, 1977, advised he would begin to prepare this case.

for presentation to the Federal Grand Jury in Las Vegas pending the outcome of the motion to be heard in U.S. District Court in Las Vegas, Nevada, on June 6, 1977, relative to the motion for return of the film and evidence in this case.

Pearl Enterprises located at 2120 East Charleston Boulevard is a separate adult book store selling obscene books, films and magazines and is located in the same proximity as captioned book stores and is [redacted] same captioned subjects.

On June 15, 1977, this matter was rediscussed with Assistant U.S. Attorney [redacted], Las Vegas, Nevada. Mr. [redacted] advised that the motion filed by attorneys for captioned subjects for return of the films and evidence seized is now scheduled to be heard in U.S. District Court, Las Vegas, Nevada, at 2:30 PM on Monday, June 27, 1977. Mr. [redacted] advised that Special Agent JOSEPH A. MURRAY will be expected to testify at this motion and further, Mr. [redacted] requested that the twelve exhibits including films seized on February 1, 1977, that were used in connection with the adversary hearing should be brought to the court for possible use in connection with instant motion. Mr. [redacted] added that pending the outcome of the motion he will decide on what course the Government will take in the prosecution of this case.

b6  
b7C

On June 27, 1977, Assistant U.S. Attorney [redacted], Las Vegas, Nevada, contacted this office and advised that the motion set for argument today in U.S. District Court has been continued at the request of Defense Counsel, [redacted]. He advised that no new date has been scheduled.

b6  
b7C

Assistant U.S. Attorney [redacted] informed that the clerk of U.S. District Court will reschedule the motion for a date in the very near future.

<u>SPECIMEN</u>	<u>TITLE</u>	<u>NUMBER</u>	<u>PUBLISHER (P)</u> <u>COPYRIGHT (C)</u>
Q16	Gay Boys	---	-----
Q17	Little Girls F_____ Too!	1	-----

Result of examination:

Specimens Q11 through Q13 and Q15 through Q17 were not identified with any motion picture films, magazines, or pictorial pamphlets of a similar nature which have been received previously in this Laboratory.

An additional copy of the Q10 motion picture film entitled "Advanced Young Sex" was previously submitted by the Miami Division by letter dated 1/12/77 under the caption "ITOM MATTERS - MIAMI DIVISION; ITOM" and was described as Q729 in Laboratory report to Miami in that matter dated 3/1/77. Information has been received by this Laboratory that "Color Climax Films" series were originally manufactured and distributed internationally by The Color Climax Corporation/RODOX Trading Company, of Copenhagen, Denmark. However, due to the common practice of copying and recopying motion picture films of this nature, the immediate source of that previous film and of the Q10 film has not been determined.

Although other motion picture films in the "Lolita Movies" film series, such as Q11, have been received previously in this Laboratory, no additional copies of that particular film in this series have been received.

Comparisons determined that the Q14 magazine entitled "Lollitots Volume 4, Number 5" originated from the same production source as a magazine of the same title which was submitted to this Laboratory by the Las Vegas Division by letter dated 3/2/77 in Las Vegas investigation in case captioned [REDACTED]

[REDACTED] Talk of the Town Bookstore, etc; ITOM; CONSPIRACY," and described as specimen Q308 in that case. Parliament News Incorporated, of Chatsworth, California, listed as the distributor of the Q13 and Q14 magazines, has been operated in the past by [REDACTED], and has been the subject of several Los Angeles investigations in case captioned [REDACTED] Parliament News Company, ET AL; ITOM."

The submitted specimens are returned herewith.

LV 145-344

On June 30, 1977, Assistant U.S. Attorney [redacted] Las Vegas, Nevada, was recontacted regarding this matter. He advised that the Clerk of U.S. District Court has rescheduled the motion to be heard in this case for Monday, August 15, 1977, at 2:30 PM. Mr. [redacted] added that he is presently awaiting a decision from the Ninth Circuit Court of Appeals in another similar pornography matter and that if the decision of the Ninth Circuit is favorable to the government, the government will move with indictments against captioned subjects in this case prior to the time that the motion was scheduled for, a hearing on August 15, 1977. Mr. [redacted] advised he would keep this office advised of what decisions are made regarding further prosecution.

On August 8, 1977, this matter was rediscussed with Assistant United States Attorney (AUSA) [redacted] Las Vegas, Nevada. Mr. [redacted] advised that the motion scheduled to be heard in U. S. District Court regarding return of the evidence on August 15, 1977, has been continued at the request of the defense. He advised that no new date has been set and the new date will be scheduled at the convenience of the court and both sides will be advised when the motion is rescheduled.

b6  
b7C

Mr. [redacted] added that he has informed attorneys for the defense; namely, Mr. [redacted] of Las Vegas that the government intends to proceed with indictments in this case as soon as the decision is returned from the Ninth Circuit Court of Appeals in another obscenity case. He added that if indictments are returned prior to the rescheduling of the motion mentioned above, that the indictments would nullify the motion and that the motion would become moot. Mr. [redacted] informed that he would keep this office advised of all developments.

On August 22, 1977, this matter was rediscussed with AUSA [redacted] Las Vegas, Nevada. Mr. [redacted] informed that the motion previously scheduled to be heard in U. S. District Court in this case on August 15, 1977, has been rescheduled to be heard at 9:30 a.m. on October 3, 1977. Mr. [redacted] added that he intends to present one witness; namely, SA JOSEPH A. MURRAY, to testify for the government and informed that the government should be prepared to show samplings of the films seized pursuant to the search warrant which was executed against Talk of the Town Adult Book Store in Las Vegas on February 1, 1977.

On August 17, 1977, the Atlanta Division advised as follows:

[redacted] is described as a white male, born [redacted] at New York City, New York. He is approximately 6'3" tall, weighing 250 pounds, having black graying hair and brown eyes. [redacted] has been the subject of numerous investigations by Atlanta and other divisions as a result of his past activities in

the pornographic industry. [redacted] became involved in the pornography business in Atlanta, Georgia, in approximately [redacted], when he was hired by [redacted] the current subject of an Atlanta Racketeer Influenced and Corrupt Organizations (RICO) investigation.

b6  
b7C

After being hired by [redacted] as an assistant [redacted] was elevated to the position of [redacted] Global Industries and Fidelity Equipment Leasing Corporation in approximately [redacted] when [redacted] began to be prosecuted and convicted on numerous pornography charges. [redacted] tried numerous methods to attempt to have his sentences, after conviction, reduced, one of which was placing other individuals in charge of his operations. [redacted] remained with [redacted] companies until approximately [redacted] when numerous convictions in other districts, such as Oklahoma, and a subsequent placement on probation forced him out of business. In the [redacted] left [redacted] employment as [redacted] and moved to Los Angeles, California, where [redacted].

It is believed that [redacted] still receives substantial amounts of money from [redacted] inasmuch as Atlanta investigations have determined [redacted] paid [redacted] \$1,000,000 for his portions of [redacted] companies. [redacted] receives this money in monthly payoffs, which will last approximately ten years.

b6  
b7C

All indications to the Atlanta Division are that [redacted] is currently completely out of the pornography business; however, specific information concerning operations in Las Vegas are not available. As pointed out, Atlanta has an extensive investigation concerning [redacted] at this time, and it is known that [redacted] only visits [redacted] complexes in Atlanta when [redacted] companies fail to pay him his payments on the \$1,000,000 sale. [redacted] companies are presently headed by an individual known as [redacted] who was [redacted] prior to his [redacted] incarceration in [redacted].

It should be noted that it has been the experience of the Atlanta Division when checking corporate records that [redacted] name is still maintained on numerous records of this nature filed with the Secretary of State in Atlanta, Georgia; and it has been [redacted] practice in the past to list

LV 145-344

other individuals as his corporate officers. [redacted]  
name appears on numerous such documents, and experience has  
shown that it would not be unusual for it to remain long after  
[redacted] disassociation with the actual running of the  
business.

[redacted] is believed to be currently on  
probation and is reportedly making periodic contacts with  
probation authorities in Los Angeles, California. [redacted]  
has FBI Number [redacted].

Your attention is further directed to Administrative Page 6 of Laboratory report to Las Vegas in this matter dated 6/23/77, for information concerning the "Playmate" series (Q763), the "Pretty Girl" series (Q718), the "David" series (Q706), and "The San Francisco 200" series (Q732).

By letter dated 2/1/78 in the REUBEN STURMAN case, Pittsburgh advised that [redacted] LAPD, Administrative-Vice Squad, has identified [redacted] T.G.A., 8821 Shirley Avenue, Los Angeles, California, as the producer/distributor of the "Freak Out" series (Q765) and has identified [redacted] F.A.G., Incorporated, Victory Boulevard, North Hollywood, California, as the producer/distributor of the "Fahrenheit 220" series (Q687), the "Jocks" series (Q754) and the "Night Hawks" series (Q755).

b6  
b7C

The "Cin-Kay" series (Q686 and Q84 through Q87, previously reported in this matter) has been identified in the past as being one of the series distributed by [redacted]

[redacted] Cin-Kay Films, Cin-Kay Recording Company, American Recording Company, Nashville, Tennessee, currently a subject of ITOM investigation at Pittsburgh under Pittsburgh file 145-439, and the former subject of several ITOM investigations by the Los Angeles Office. [redacted] was in the pornography distribution business in Los Angeles

[redacted] Shamrock Distributors, Dee Wee Company, Hollywood House of Films, VanOwen Enterprises, and Ben Wa Distributors.

It should be noted that the "Lollypops" series (Q665 through Q674) involves child pornography and would be considered a good vehicle for ITOM prosecution under current guidelines.

Las Vegas should further note that the "House of Milan" series (Q771 and Q132 through Q135, previously reported in this matter) are bondage and flagellation films containing only simulated, rather than explicit, sex acts and would be doubtful as successful vehicles for obscenity prosecution.

(Q 665 → Q 674) involves child porno, <sup>at would be from the good side</sup> <sup>for the good side</sup> <sup>currently genuine</sup>

LV should note that the "House of Milan" series  
(Q 771 and Q 132 → 135, previously) are bondage +  
flagellation films and contain only simulated rather than explicit  
sex acts & would be doubtful as success outlets for obscenity  
prosecution.

Remarks:

Las Vegas should note that a determination of what constitutes "bizarre sexual behavior or activities" is necessarily a subjective determination, open to a variety of interpretations or evaluations. The total numbers of various types of films and magazines, set forth in the attached Laboratory report, have been limited to those which would appear to be bizarre beyond any question. However, a broader interpretation could well increase those numbers substantially.

Re Bureau letter and Laboratory report, 10/25/78.

Being transmitted to the FBI Laboratory under separate  
obscene cover is one carton containing 33 - 8 mm films described  
as obscene.

For information of the Bureau, captioned case remains  
under government's appeal before the 9th Circuit Court of Appeals  
in San Francisco. That particular case refers to those films  
seized at captioned store in Las Vegas, 2/1/77, which amounted  
to approximately 900 pieces including films and other obscene  
materials all of which have been submitted and are being re-  
tained by the FBI Laboratory.

On [redacted] a Las Vegas confidential informant pro-  
vided 33 samples of film currently being sold and/or distributed  
at captioned adult bookstore in Las Vegas. These same films as  
provided by the informant also represent the types of films cur-  
rently being shown in the adult arcades in the Las Vegas area.  
Source has determined that a majority of these films are imported  
into Las Vegas, Nevada, by various means from the Southern  
California area. Source has advised that certain trusted em-  
ployees working in Las Vegas for captioned Subjects are sent

Re Las Vegas letter to the Bureau, dated 11/6/80.

On 5/14/81, AUSA [redacted], Las Vegas, who is handling captioned matter for the U. S. Attorney's Office, advised SA [redacted] he had just been apprised that the Ninth U. S. Circuit Court of Appeals in San Francisco had overturned the decision of District Court Judge Roger D. Foley, District of Nevada, in which Judge Foley had ruled the search warrant executed in this matter was not specific enough to comply with the law, had disallowed the search warrant and excluded the evidence seized pursuant thereto from trial. In reversing Judge Foley, the Circuit ruled that the search warrant was indeed sufficiently specific to comply with the law and the evidence seized admissible in court. AUSA [redacted] advised this ruling clears the way for prosecution and that he will be pursuing same.

The Bureau will be kept advised of pertinent developments.

Re Las Vegas letters to Bureau; Attention: FBI Laboratory, 3/1/77, 3/2/77, 3/3/77, 3/3/77, 3/8/77, 3/8/77, 3/8/77; and associated Lab Reports; Las Vegas airtel to Bureau 8/11/78; and FBI Lab Report to Las Vegas 10/25/78.

For the information of the Lab, the U. S. Ninth Circuit Court of Appeals at San Francisco has recently overturned a District Court decision wherein the search warrant executed 2/1/77, in this matter was found to lack appropriate specificity resulting in the exclusion of any item seized pursuant thereto in any court proceedings. The Circuit Court found the warrant was appropriate in every way, thus clearing the way for the seized items to be utilized for evidentiary purposes.

Assistant U. S. Attorney (AUSA) [REDACTED] who is handling this matter for the U. S. Attorney's Office, District of Nevada, contemplates filing criminal charges against captioned subjects; both corporate and individual as facts warrant. AUSA [REDACTED] has requested all items, the approximately 900 obscene films, books, and magazines, held at the Lab in this matter be returned to Las Vegas for prosecutorial review and use as soon as possible.

## INSTRUCTIONS

(1) Submit an original only of the FD-515 within 30 days of a recordable accomplishment. Submission of each statistic should not be delayed awaiting the accumulation of several statistics.

(2) The date the FD-515 is submitted must be shown.

(3) The field office file number and appropriate subclassification, if applicable, must be set forth.

(4) Category A - **"PRELIMINARY JUDICIAL PROCESS"** - This indicates the number of subjects against whom judicial action has taken place. The number of subjects must be indicated with a numerical entry and not with the letter "X" or a check mark.

**FOR EXAMPLE:** If 4 subjects have 10 Bills of Indictment returned against them, enter 4 on line 3.

(5) Category B - **"FINAL JUDICIAL PROCESS"** - This, again, indicates the number of subjects and the number of counts or violations for which the subject is convicted. The number of counts shown on lines 5 and 7 must equal or exceed the number of subjects indicated on lines 4 and 6, never be less. Category 4 and 5 or 6 and 7 cannot be claimed prior to sentencing.

**FOR EXAMPLE:** If a subject is convicted for multiple counts in a single indictment or is convicted on a number of individual indictments, the entry in either case will be one subject convicted.

(6) Category C - **"SENTENCES"** - Indicate only the number of subjects and where a combination of sentences are imposed, enter only the most severe sentence. The number of subjects cannot exceed the number of subjects indicated in Category B, lines 4 and 6. The amount of the fine (line 5), if any, is always claimed in conjunction with either lines 1, 2, 3, or 4.

(7) Category D - **"ARRESTS/LOCATES/SUMMONS"** - Indicate the number of subjects under designated priorities.

(8) Category E - **"RECOVERY AND LOSS PREVENTED"** - **Recoveries** - When stolen or illegally possessed items with intrinsic value are recovered as a part of an FBI investigation, the value of the item should be recorded. Restitutions will be recorded in this category when ordered as part of a sentence.

**Potential Economic Loss Prevented** - Record items such as counterfeit securities, money orders, Cashier Checks, Travelers Checks, and pirated copyright and patented material.

A justification airtel must be submitted with the FD-515 as an enclosure when the recovery or potential economic loss prevented exceeds \$1,000,000.

(9) Category F - **"CIVIL MATTERS"** - To record an entry in this category, it is necessary to conduct actual investigation in the matter. Both the original amount sought and the damages awarded by the court are to be recorded under amount of suit and settlement or award. Therefore, if numbers 1 or 3 are completed, it is necessary that number 2 and 4 also be completed even if by zero. The only exception would be when monies are paid by the subject in Ascertaining Financial Ability Matters wherein it is not necessary to record an entry in F3.

(10) **"REMARKS"** - Identify the name of the subject(s) and when reporting a conviction identify the Title, Section, and Code applicable to each count convicted.

(11) **Errors** - If a previously submitted FD-515 is determined to contain an error after verifying the statistic on the Monthly Statistical Results Report, submit an original only of the FD-515 clearly marking the top of the form in red ink with the word **"AMENDED."** Other than the title, FBIHQ file number (if known), field office file number, and date, only complete the category being corrected by a numerical entry representing the appropriate decrease or increase. If this entry represents a decrease, insert a minus " - " sign and if an increase, insert a plus " + " sign directly to the left of the numerical entries which will signify the type of correction.

Re Las Vegas airtel to Bureau.

For the information of the Bureau on 9/10/81, a four count information was filed in U.S. District Court, Las Vegas, charging Nevada Merchandise Company (NMC), a Delaware Corporation doing business in Nevada, with four counts of violation Title 18, United States Code, Section 1465, Interstate Transportation of Obscene Material. Same date, Las Vegas Attorney [redacted] representing NMC appeared before the Honorable Roger D. Foley, District of Nevada, and entered a No Lo Contendere plea as to all four counts on behalf of NMC. accepted the plea as to all counts and adjudged the defendant guilty thereof. The court then imposed on NMC the maximum fine allowable, \$5,000.00 as to each count; \$10,000.00 to be paid immediately and an additional \$10,000.00 to be paid within sixty days. Mr. [ ] then tendered to the court a cashiers check in the amount of \$10,000.00.

b6  
b7c

The above charges, pleas, and sentences had been negotiated and agreed to previously by AUSA [ ] [ ] Las Vegas, representing the government and Mr. [ ] representing the defendant. It was further agreed that the defendant will forfeit to the government all obscene materials seized on 2/1/77, pursuant to search warrants executed at the Talk of the Town Adult Bookstore and the Peekarawa Movie Arcade. All business records seized will be returned to the defendant and the government will forego any further prosecutions based upon materials seized pursuant to the searches of 2/1/77.

It is noted that shortly following the search of 2/1/77, the defendant moved to have the searches thrown out for lack of specificity in the warrants. Judge Foley, Supra, granted the motion. The government subsequently appealed to the Ninth Circuit which in May 1981, reversed the lower court, reinstating the searches and the results thereof. At that time a review of the government's evidence determined that a considerable portion was no longer viable due to the running out of the Statute of Limitations. Against this backdrop, the above cited pleas and sentences were negotiated and the other agreements set forth above entered into.

FD-515s to follow, after which this matter will be closed.
